OUR VISION

To enable our students to excel and thrive in a happy, safe and successful environment whilst providing substantial academic rigour.

OUR MISSION

EIS Meadows is a learning community where students are ready, respectful and safe in all they do. Students are empowered to think critically and creatively and to show resilience in their search for success. Our inclusive environment and innovative enquiry based international education fully prepares students for their future.

OUR PHILOSOPY

Our Philosophy at EIS Meadows, we foster a love of life-long learning through an innovative, inspiring IB curriculum that allows students to be leaders of their own learning journey. We nurture open-minded, principled, independent learners who exhibit self-awareness and grow to be responsible global citizens. We foster inter-cultural sensitivity and personal responsibility to encourage internationally minded young adults who are fully prepared for our future world.

MESSAGE FROM DIRECTOR OF SCHOOL

As another remarkable year draws to a close at EIS-Meadows, I would like to extend my heartfelt congratulations to every student, parent and staff member, for their invaluable contributions. Together, we have celebrated achievements, embraced change, and created memories that will be cherished for years to come.

This yearbook offers a wonderful opportunity to reflect on the many unforgettable moments your child has experienced throughout the academic year. Our students, true ambassadors of the International Baccalaureate spirit, have demonstrated exceptional resilience, open-mindedness, and determination. They have faced challenges with courage, overcome obstacles, and emerged stronger, better prepared for the journey ahead. I am incredibly proud of their unwavering commitment and commend their outstanding accomplishments.

To our dedicated EIS-Meadows parents, your continued support and active involvement have played an essential role in our collective success. Thank you for being our trusted partners in education and for your steadfast encouragement throughout the year.

As we turn the page to a new chapter, let us take a moment to celebrate all that we have achieved together and look ahead with hope and excitement for the opportunities that lie before us. This year has once again proven that with unity, perseverance, and a shared vision, we can accomplish great things.

Wishing you all a restful, joyful, and restorative summer break. May it be a time of reflection, growth, and cherished moments with loved ones — preparing us for the bright future that awaits.

MESSAGE FROM THE PRINCIPAL

MR. IAN WARD

As we bring to an end a fantastic year at EIS Meadows, I am filled with immense pride for what we've achieved together as a school community. This year has been a testament to the power of collaboration, resilience, and shared purpose.

One of our standout accomplishments was the successful completion of our IBO Five-Year Review, where we received overwhelmingly positive feedback. The review team commended not only the strength of our academic programmes but also the supportive environment we have created — one where inquiry and international-mindedness are at the core of our students' learning experiences.

In addition, our CIS Preparatory Visit was a significant milestone for us. The visiting team highlighted our welcoming community, the commitment to continuous improvement, and the strong sense of belonging evident throughout our school. These affirmations reflect the collective effort of our students, staff, and families working in collaboration.

To our students — your resilience, determination, and enthusiasm have set a remarkable standard. You've inspired us all with your achievements both in and beyond the classroom.

To our wonderful parents — your trust, encouragement, and active involvement have been essential to our success. Your support continues to create a nurturing environment where our students feel empowered to excel.

A special highlight this year was our International Day and Iftar gathering, where we joyfully united as a community to celebrate our rich cultural heritage and the strength found in diversity. These events captured the true spirit of EIS Meadows.

And to our dedicated staff — your innovation, commitment, and care have made a profound impact on every student's journey. Thank you for your passion and hard work, which have driven so many of our successes this year.

As we conclude this memorable year, I extend my heartfelt gratitude to everyone in our school community. Together, we've created lasting memories and laid the foundation for even greater achievements ahead. I look forward to another exciting year filled with growth, connection, and shared success.

MESSAGE FROM THE HEAD OF PRIMARY

MR. TIMOTHY WADE

It has been a year that I look back on with great pride. Our students have achieved so much in so many different ways. This Year Book provides just a snapshot of all the different events of the year and I hope it will bring back many fond memories in the years ahead.
This year we have continued to push forward in a variety of ways, ensuring the students receive the very best Meadows can offer. This year we have been able to celebrate some outstanding academic successes alongside some exceptional personal achievements. Our students really do demonstrate what it means to be an IB learner and I am sure they will continue to grow into well rounded, global citizens of the future.

This year we have had the greatest number of students ever involved in opportunities outside the classroom, ranging from leadership positions, Arts events and representing sports teams. There have been some outstanding musical, dramatical, academic and sporting achievements this year, a number of them 'firsts' for Meadows. Our students' dedication and commitment has shone through and it has been wonderful to see their development.

I am truly grateful to all of our teaching and support staff who work tirelessly to provide the very best for our students. They consistently support and challenge our students in a variety of ways, always looking to get the very best results.
Our students would not achieve so highly were it not for the support at home and I would like to thank all our parents for their support and guidance. Parental support at every event is amazing and really does encourage the children to do their very best.

As I bid farewell to EIS Meadows I would like to thank all the students and staff who make Meadows such a vibrant place to be each day. I will take many fond memories away with me and I wish you all the very best for next year and beyond.

MESSAGE FROM THE HEAD OF HIGH SCHOOL

MR. ANDREW WILLIAMS

This academic year has been one of continued growth, innovation, and resilience. Our commitment to delivering the best learning experiences remains strong, ensuring our students are consistently challenged, supported, and inspired. As IB learners, we embrace reflection and adaptability to thrive in an ever-changing world.

Since achieving our Very Good KHDA rating, we have continued to push boundaries, celebrating our success while striving for even greater excellence in learning and teaching. Innovation has remained at the heart of our approach, ensuring that our students experience high-quality education in an engaging and supportive environment.

Reflecting on my nine years as Head of High School, I'm proud of the collective journey we've taken—from 'Good' to 'Very Good'—thanks to our dedicated teachers, ambitious students, and supportive families.

I would like to extend my deepest gratitude to my exceptional Leadership Team, who have been instrumental in driving our success, as well as to all the teachers, administrative staff, security, housekeeping, and support staff who work tirelessly to ensure the smooth running of the school. A special thank you to Habtoor Management for their continuous support, and to Ms. Amna Habtoor, whose vision and commitment to educational excellence continue to inspire us all.

This year, we celebrate not only academic success but also the diverse talents of our students in music, the arts, and sports. Meadows has always been a place where students grow into well-rounded, globally minded individuals, prepared to contribute meaningfully to the world.

As I step into retirement, I do so with immense pride and gratitude. It has been a privilege to lead Meadows and to be part of such a vibrant, ambitious, and caring school community. I leave knowing that the school's future is bright, and its best years are still ahead.

To our students—take time to reflect, celebrate, and cherish your memories at Meadows. The friendships, experiences, and lessons you gain here will stay with you for life.

I look forward to seeing the continued success of Meadows in the years to come, knowing that it will remain a place where students are Happy, Safe, and Successful.

EARLY YEARS

What a fantastic year it has been! We have seen tremendous growth in our children – physically, emotionally, socially, and academically. Moving from EY1 to EY2 is a big milestone, and preparing for Year 1 is an even bigger step. We are incredibly proud of everything our young learners have achieved this year.

At the start of the year, many children walked through our doors feeling unsure or nervous. But over time, we've watched them grow into confident, happy learners who feel safe, secure, and settled in their learning environment. They've built strong friendships and formed special bonds with the adults around them.

Across the curriculum, the children have shown fantastic progress. Their learning has been deep and meaningful – not just a straight line, but a spiral where we've revisited ideas, built on previous knowledge, and challenged ourselves to think more deeply. There has been so much creativity, innovation, and joy in the learning process.

Our learning has extended beyond the classroom through a range of exciting trips. Whether it was becoming chefs at Pizza Express, expressing ourselves through art at Medaf, or sharing a special moment with the elderly at the Senior Happiness Centre – each experience has added richness and meaning to what we've explored in school.

We've also enjoyed celebrating our achievements and making happy memories together.

Thank you to all our wonderful families for your support, trust, and partnership this year. We are so grateful to walk this journey with you and look forward to what the future holds for our amazing little learners.

YEAR 1

We have had a fantastic year in Year 1 this year and are so proud of the achievements our children have made. They have all come a long way since the start of the year. Coming from EY2 into Year 1 can be a daunting experience for children, there was lots of new learning and expectations to get used to. The children have done incredibly well to manage a longer school day as well as develop their key learning skills. They are now confident writers, excellent communicators and show us their independent problem solving skills daily!

Aside from all of their academic achievements we have had lots of fun learning about the world around us through our programme of inquiry. We particularly enjoyed visiting DIY studio's whilst learning all about materials. We were exposed to many different tools and materials and shown how to ensure we can use them sustainabiy to protect our planet.

Our annual World Book Day celebrations was one that was a real highlight for us as a year group particually taking part in our Year 1 parade of our costumes. It was incredible to see the effort and dedication taken by our children and families at home to celebrate reading by dressing up as our favourite book characters for the day.

We have enjoyed all of our special events this year, particualrly our annual Music show in which our children showed their confidence and resiliance whilst standing on stage and performing to all of their families. It was delightful to watch how much they shone creatively and expressed themselves so well infront of a large audience.

We have truly valued our links with our families and are very grateful for all of your support this year. We wish all of our children in Year 1 all the very best for their time in Year 2. We know they are going to continue to be wonderful learners and grow so much more.

YEAR 2

What an incredible journey our Year 2 students have been on this year. Reflecting on the start of the year and how much our students have achieved since this time fills us with a huge sense of pride and acomplishment. Our students have done so well to develop their writing skills since the start of the year, now writing at length and across a variety of different genres, become more critical in their thinking style as well as have a deeper understanding of important real life events happening in the world around including in Space!

Our year kick started with our first Unit of Inquiry focusing on our community hero's. This was one of our favourite units to explore in which we got to write super hero themed stories as well as design our very own superheros.

Our exciting events across the year have been key highlights for us. We showed our excellent sports abilites during our annual Sports Day and our willingness to work as part of a team. Another key highlight for us was to celebrate our UAE National Day with a petting zoo in school. We were able to celebrate the variety of creatures local to us in the UAE and understand more about Dubai and its heratage.

During our investigative learning in maths we visited Meadows Mall to take part in a real life problem solving activity, finidng change and purchasing items from a local shop. It was great to see the students thinking of how to apply their knowledge and understanding of the coins and notes we use in Dubai and how to calculate the change needed.

One of our favourite UOI's has got to be learning all about the Rainforest. We really enjoyed learning about all the elements involved in a Rainforest; the life forms found as as well as the variety of plants and tress found within it. A highlight was most definitely learning all about where chocolate comes from and how it is harvested from the Rainforests themselves. We really enjoyed our trip to the Mirzam Chocolate factory which allowed us to put all of our understanding into context and most importantly make our very own tasty chocolate!

This year has been a wonderful year in Year 2 and we are so excited to continue to watch our students grow further in their independence as they take on all of the new challenges in Year 3. We know they are more than ready for it and are going to have another fantastic year next year.

YEAR 3

As the academic year draws to a close, we would like to congratulate all our Year 3 students for a year filled with dedication and remarkable progress. This year has asked a lot of us as learners — to be adaptable and resilient in the face of challenges, open to new ideas and knowledge, and to approach each day with a positive mindset.

Our Year 3 yearbook, a reflection of life at our vibrant IB international school, showcases an incredible journey of learning, growth, and connection. Among the standout memories was our unforgettable Ancient Egyptian dress-up and Drama day!

World Book Day brought stories to life as students celebrated the magic of reading. Dressed as beloved characters, they dove into books with excitement and imagination, strengthening a lifelong love for literature and storytelling. Dressed as Ancient Egyptians, we travelled back in time to live a day in the life of those who came before us, celebrating an engaging and exciting topic. We have celebrated many cultures, broadened our horizons and understood what it means to respect and accept the diversity of our community through our new Unit of Inquiry on festivals around thew world.

Looking back on this eventful year, we're inspired by the resilience, enthusiasm, and achievements of our Year 3 students. Each page of our yearbook is a tribute to their learning journey — full of discovery, collaboration, and growth. We are incredibly proud of everything they have accomplished and wish them continued success as they move ahead on their educational journey through school.

YEAR 4

From the very first day, this cohort stood out for its energy, curiosity, and warmth. We've laughed, questioned, explored, and grown together—not just as learners, but as thoughtful, compassionate individuals who truly embody the IB Learner Profile. Our year was filled with experiences that extended far beyond the classroom walls. Whether spotting wildlife at Dubai Safari Park, discovering independence at our overnight camp in Dibba, or proudly celebrating UAE National Day and International Day, Year 4 approached every challenge with enthusiasm and courage.

Our science journey took us on amazing adventures—from investigating how different liquids affect our teeth to an exciting visit to the high school science lab, where students got hands-on with equipment and left buzzing with curiosity and excitement for what's next.
One of the standout highlights? Our unforgettable field trip to Dubai Safari Park! Seeing wildlife up close brought our ecosystems unit to life and sparked so many thoughtful questions and "wow" moments.

Creativity has been at the heart of our learning. We wrote setting descriptions on pillowcases, performed with green screens, explored AI-generated art, and created our own weather cycles in bags! In Literacy, we crafted stories, newspapers, and persuasive pieces. In Maths, we tackled line graphs, bar charts, money problems, and angles with resilience and teamwork. And in Science, our hands-on investigations into sound, pitch, and changing materials inspired awe and sparked deep curiosity.

To our incredible families—thank you for your unwavering support and trust. Your encouragement has helped make this year truly special.

YEAR 5

As this Academic year comes to an end, I would like to congratulate our Year 5 students for all their hard work, resilience, and achievements. So much learning has taken place over the year and it is clear that our students have shown strong determination, progression and success. I have had the honor of being the Year 5 Leader this year and I take pride in being part of a school where every student can find an avenue for success and in being a community where everyone in the Year 5 family strives to find the best in themselves and others.

We have had many highlights this year, particularly with our events; International Day and UAE National Day, where our students were given the opportunity to share more about their cultural identity as well as learn about the significance of UAE National Day. Our students had a life-changing opportunity at our Year 5 Camp to Dibba where they learned so much about effective teamwork, leadership, resilience and independence.

They also enjoyed showcasing their Sustainable Energy project with their class and sharing their digital presentations with their peers and teachers during our Year 5 Sustainable Energy Innovation Exhibition. They also enjoyed our trip to Expo City as part of our Unit of Inquiry How We Organise Ourselves; where they took part in physical activities to help them to experience how to use their critical thinking skills to solve complex challenges. We cannot forget how wonderful our students looked in their World Book Day costumes and their fantastic participation during our fun and purposeful literacy activities.

I am also proud of the effort our students have displayed during our Maths Week; they showed off their mathematical and problem-solving skills and many also participated in our annual PI Day Challenge where many of our Y5 students performed exceptionally well!

The success of our students in Year 5 is built on the partnership we have with our families and the EISM community. I am grateful that we have such an amazing relationship with our community and our teachers are proud to serve our students and families. Our entire Year 5 staff works very hard to create a positive environment where every person's unique strengths and talents are celebrated.

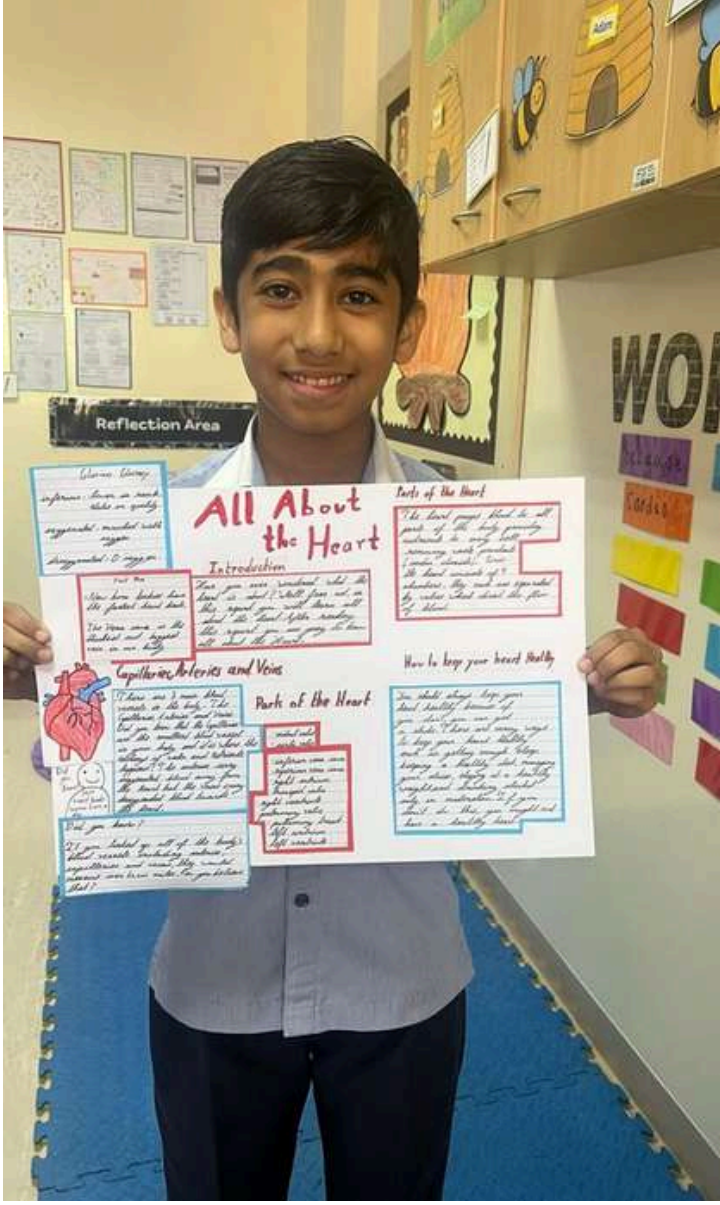
YEAR 6

This year in Year 6 has been nothing short of incredible. From the very first day, our students embraced every challenge and opportunity that came their way with enthusiasm, curiosity, and courage. As the oldest in the Primary School, they stepped into their leadership roles with confidence and kindness, setting an inspiring example for others.

One of the biggest highlights of our year was the PYP Exhibition. This was a true celebration of all the skills, knowledge, and attitudes developed throughout the Primary Years Programme. Students chose issues they were passionate about, conducted in-depth research, interviewed experts, and created engaging presentations to share with the wider school community. The exhibition was a shining example of how our learners have grown into critical thinkers, effective communicators, and principled young students.



Our camp experience brought out the best in everyone as we faced challenges, supported one another, and discovered new strengths in the great outdoors. At Aventura, we pushed our limits on the high ropes, built resilience, and worked as a team, proving that learning goes far beyond the classroom walls. Back at school, students shone on Sports Day, showing determination, sportsmanship, and team spirit. These moments helped us build strong connections as a class and celebrate each other's achievements.

As an IB World School, we have continued to grow through the IB Learner Profile, becoming more reflective, open-minded, and internationally minded.

We have tackled real-world issues, embraced different perspectives, and explored how we can make a positive impact in both our local and global communities. We ended our year on a high note with the Year 6 Graduation, a special event that allowed us to reflect on the unforgettable memories of our time in Primary School. It was a moment filled with pride, joy, and excitement for the future.

Year 6, you have left a mark on this school in the most wonderful way. We are so proud of all you have achieved and the people you have become. We wish you all the very best and look forward to seeing all the ways you will shine as you begin this exciting new chapter in your learning journey.

YEAR 7

Our Year 7 students began their high school journey filled with a mixture of nerves, excitement, and curiosity about what lay ahead. From those first few days of finding their way around a new campus and meeting new teachers and classmates, to confidently taking on challenges and seizing opportunities, it has been an incredible year of growth and discovery. One of the highlights was our unforgettable Year 7 camp in October, where students not only built stronger friendships but also pushed themselves out of their comfort zones, developing confidence and independence along the way.

Throughout the year, our students have truly embraced all aspects of school life. Many have proudly represented the year group in a variety of competitions and events, with some walking away with well-deserved medals and accolades. Whether through academics, the arts, sport, or leadership, our Year 7s have shown what it means to be active, caring, and courageous members of the school community.

Year 7 has been a time of transition, growth, and learning—for students and staff alike. It has been magical to watch each student mature over the course of the year, finding their voice, discovering their strengths, and learning valuable lessons along the way. As the months have passed, so too have your resilience, determination, and ability to overcome challenges. You've navigated new routines, taken on responsibilities, and built the foundations for future success.

Now, as you prepare to move on to Year 8, you do so not just with more knowledge, but with greater confidence, kindness, and courage. You leave behind an example for future Year 7s to follow—role models who have shown that with the right attitude and effort, anything is possible. We are so proud of all that you've achieved and cannot wait to see where the next part of your journey takes you.

YEAR 8

Year 8 has been a fantastic year for our students! After finding their feet in Year 7 and making the big transition from primary to secondary school, our Year 8s have truly settled into high school life. They've grown in confidence, built strong friendships, and embraced every opportunity that's come their way.

One of the standout highlights was the Bear Grylls Camp trip, where students stepped out of their comfort zones and took on exciting outdoor challenges. From team-building activities to survival skills, they showed resilience, leadership, and a real sense of adventure.

Our end-of-year trip was another memorable moment, giving students a chance to relax, have fun, and celebrate all they've achieved together. These experiences outside the classroom have helped strengthen bonds and create memories that will last a lifetime.

Alongside the trips, the year was full of other high points – an action-packed Sports Day and a string of impressive wins in DASSA competitions showed off their talent, spirit, and determination.

We're incredibly proud of everything our Year 8 students have accomplished this year and look forward to even more achievements and celebrations as they head into Year 9!

YEAR 9

This has been a truly unforgettable year for our Year 9s, and I couldn't be prouder of everything you've achieved, both inside and outside the classroom. From the very beginning, you brought energy, humour, and a growing sense of maturity to the year group, and it's been a joy to be part of your journey.

One of the standout moments was the Challenging Adventures trip. Whether it was raft building, the Silly Olympics, or the Marine Crossing, you threw yourselves into every challenge with courage, laughter, and team spirit. And yes, even the teachers got stuck in!

Academically, you've thrived across the board. From literature and languages to maths, sciences, and design, you tackled complex texts like Romeo and Juliet, explored fusion music, debated sustainable development, and engaged in thoughtful digital citizenship projects. Your strong GL and NGRT assessment results, passionate classroom discussions, and consistently high-quality work showed real growth and commitment.

But your impact went far beyond the classroom. You stepped up for International Day, led the way in Service as Action, brought creativity to Arts Night, and impressed us at the Continuum Exhibition. You supported each other weekly through Student of the Week and brought heart and hustle to Sports Day and Long Ball. The chants, the competition, the spirit, it was electric.

World Book Day was another highlight. The costumes were fantastic, but what struck me most was your genuine enthusiasm for reading and storytelling. It reminded us exactly why we love what we do.

What made this year truly special though was the community you built. The laughs during Form Time. The thoughtful reflections on punctuality, wellbeing, and responsibility. The way you lined the halls and cheered the Year 13s on during the Senior Walk. The way you looked out for one another, every step of the way.

I'm incredibly proud of the young people you are becoming. Thoughtful, grounded, resilient, and ready for whatever comes next. Thank you for the joy, the humour, and the memories
I can't wait to see all that you go on to achieve.

YEAR 10

It has been an absolute pleasure to step into the Year 10 leadership role from Term 1, following the fantastic work of Ms. Clarke. Taking on this responsibility has allowed me the privilege of witnessing firsthand the growth, energy, and determination of an exceptional group of students.

This year has been a memorable journey, filled with countless achievements and moments of joy. From the vibrant Union Day celebrations and the inspiring Winter and Summer Concerts, to the spirited Sports Day, the thrilling Long Ball Staff vs Teachers tournament, and the unforgettable trips to Sri Lanka and IMG—each event showcased the unique blend of talent, enthusiasm, and teamwork that defines this cohort. The Google AI workshop was another highlight, reflecting the innovative spirit of our learners.

A heartfelt thank you goes to all our students for their invaluable effort, especially our Year Reps, House Reps, and Form Reps, who have gone above and beyond to support their peers and build a strong sense of community. Each individual in this cohort brings something special—whether through creativity, leadership, kindness, humour, or resilience. It is this wonderful diversity that makes Year 10 such a dynamic and international-minded group, and it has been a privilege to see those strengths shine throughout the year.

One of the most commendable moments this year was how each student rose to the challenge of their first ever mock examinations. I am incredibly proud of the focus, perseverance, and commitment shown by every learner. These efforts are a powerful reminder that success does not happen by chance—it is the result of consistent, purposeful effort and a mindset aimed at growth.

I also wish to extend my deep gratitude to the parents, subject teachers, and Form Tutors whose constant support has been instrumental in guiding students through this critical stage of their academic journey. Your encouragement and belief in each learner have helped lay the foundation for their success.

As we now look ahead to Year 11 and the final MYP examinations in 2026, I encourage all students to enjoy a well-deserved and restful summer break. Take the time to recharge, but also reflect on what you've accomplished so far. Use this time wisely to review, refine, and strategize your path forward. You each have the potential for greatness—keep striving, stay curious, and never underestimate the power of steady effort.

YEAR 11

It has been an honour for me to serve as the Year Lead for the MYP Class of 2025 for the past two years, and to teach Spanish to many of the students in this cohort. Over these years, the class has experienced a journey filled with unforgettable moments—times of joy, personal growth, and challenges that helped bring out the very best in each of them.

From the intensity of mock exams to the excitement of after-school activities, they have shown incredible dedication and resilience. Whether it was participating in cultural events, engaging in team-building activities, or balancing academics with extracurriculars, they have truly embraced every opportunity for growth.

The focus throughout this time has always been on their safety, happiness, and success in the MYP Final Exams. I am proud to say that all these goals have been met. The hard work and determination they've shown in their studies, alongside their commitment to becoming well-rounded individuals, have been truly inspiring.

As they embark on their next steps into the post-16 phase, I wish them all the very best. The memories we've created together will always hold a special place in my heart, and I will remember them fondly as they continue their journey.

SENIOR STUDENTS

As we come to the end of the 2024–2025 academic year, I would like to take this opportunity to celebrate a truly unforgettable year. It has been a journey that has been defined by growth, resilience, and community. To our graduating Class of 2025, this moment marks the closing of a significant chapter in your lives, and the beginning of something entirely new. While it's always bittersweet to say goodbye, it's also a time to look back with pride and forward with excitement. This year, you have shown what it means to be adaptable, determined, and committed to excellence.

Through all the ups and downs, you have carried yourselves with grace and perseverance. Your dedication to your studies, your involvement in school life, and your support for one another have left a lasting legacy at EISM. Personally, it has been an absolute privilege to serve as your Year Leader over the past two years.

From our very first meeting to these final weeks of your journey here, we've had the privilege of watching each of you grow — not just academically, but as thoughtful, capable individuals ready to make your mark on the world.

One of the standout moments for us was our time in Nepal. It was there that your strength of character, compassion, and genuine desire to give back truly shone through. Those are the qualities that will carry you far beyond any classroom, into whatever futures you choose to build.

As you now set off — whether to university, a gap year, or another exciting path — we encourage you to stay curious, take risks, and embrace every opportunity. Don't shy away from the things that scare you a little; those moments often shape us in the most powerful ways.

To our Year 12s, soon to be the Class of 2026, the baton is now in your hands. You've already shown that you are more than capable of rising to the occasion. This year, you have juggled coursework, CAS, TOK, the Extended Essay, and countless other responsibilities, all while beginning to discover who you are and who you want to become.

Your resilience and maturity have not gone unnoticed, and you are well on your way to leading our school community with confidence and purpose. Take the summer to rest and recharge. Enjoy time with friends and family, reflect on the year gone by, and return with the energy and drive needed to take on Year 13.

ARABIC EDUCATION - PS

اللغة العربية من أكثر اللغات انتشارًا وهي أيضا من أقدم اللغات ونحن في مدرسة الإمارات الدولية نهتم كثيرًا بتحفيز الطلاب على استخدام اللغة العربية في التواصل مع الآخرين مما يساعد الطلاب المتحدثين بها على تنمية جميع مهارات اللغة العربية.

وقد قمنا بالعديد من الفعليات لتطوير مهارات اللغة العربية لدى طلاب مدرسة الإمارات الدّولية، مثل :مسابقة القراءة الداخلية ومسابقة تحدي القراءة العربي، ومسابقة تحدي الشعر العربي ، ومسابقة كأس شيفرون للقراء،والمشاركة بأنشطة أسبوع اللغة العربية والمشاركة في فعاليات اليوم الوطني وتنظيم معرض الكتاب ؛ ممّا يدعم ويساعد المتحدثين الأصليين لدينا على التواصل وتطوير لغتهم الأم ؛ كما أنه يساعد طلابنا الأجانب على اكتشاف وفهم جمال لغة البلد الذي يعيشون فيه .

تدرك مدرستنا الإمارات الدولية أهمية اللغة العربية في مستوياتها الابتدائية من أجل تطوير لغة قوية تتناسب مع آليات التعلم والتعليم، و تتماشى مع اللغات السائدة الأخرى ، وتكون جزءًا من الحياة اليومية للطلاب، ومن أجل تحقيق ذلك اعتمدت المدرسة الإطار العربي لوزارة التربية والتعليم كمنهج أساسي، مع التركيز على الهوية الثقافية وترسيخ القيم الإنسانية المشتركة.

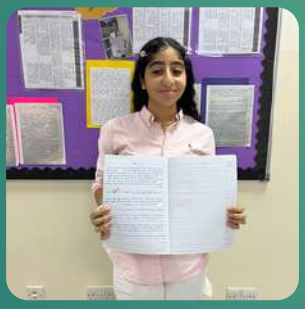
كل الشكر والتقدير لكل من يساهم في تطوير اللغة العربية داخل مدرستنا.

ARABIC A EDUCATION - HS

We started this academic year by honoring the students who excelled in the MYP exams. It was a proud and uplifting moment, as we celebrated the progress and achievements of our learners—each success a reflection of their dedication and resilience.

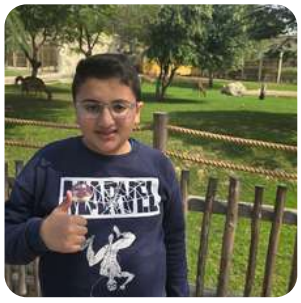
As with every year, the Chevron Reading Competition was once again announced for high school students, and our students responded with great enthusiasm. A total of 27 students eagerly registered internally, showcasing their interest and commitment to reading and literary engagement.

Adding to the sense of pride, our students also participated in a range of external competitions, representing Emirates International School with distinction. It was a unique and inspiring experience to see our students stand confidently before external judging panels on prominent stages across Dubai, their voices resonating with the beauty and power of authentic Arabic poetry.



The excitement was unmistakable as the students immersed themselves in the three selected stories, reading them thoroughly from cover to cover in preparation for the online competition. Their dedication was evident—not only in their preparation but also in the teamwork, critical thinking, and problem-solving skills they displayed throughout.

ARABIC B EDUCATION - HS



ISLAMIC EDUCATION - PS

Our commitment to nurturing holistic Islamic values is also evident in enriching projects such as the Seerah Exhibition, led by our Year 5 students. Through this initiative, students took ownership of their learning by presenting key moments from the life of Prophet Muhammad (peace be upon him), deepening both their understanding and appreciation of his message and character.

These experiences—rooted in inquiry, practice, and reflection—extend Islamic learning far beyond textbooks. At EISM, we strive to raise confident, respectful, and principled young Muslims who embody the values of understanding, empathy, and faith. We remain deeply proud of the culture of Islamic excellence we continue to build, and we thank our parent community for their ongoing support in this vital mission.

At Emirates International School–Meadows, we firmly believe in the power of inquiry to enhance student learning—and our Islamic Education program fully reflects this philosophy. Guided by a team of passionate and dedicated teachers, our lessons are thoughtfully designed to be interactive, reflective, and rooted in real-life relevance. Through meaningful discussions, debate, and connection to everyday experiences, students engage deeply with Islamic teachings in a way that is both intellectually stimulating and spiritually enriching.

Beyond the classroom, students actively practice their faith through regular Wudu and daily Dhuhr prayer performed in the school mosque, accompanied by their Islamic teachers. These routines foster a strong sense of spiritual discipline, unity, and respect for religious practice.

To further instill a love for the Quran, we encourage participation in our annual school Quran competition. This year, we were especially proud to motivate students to take part in the prestigious Al Habtoor Quran Competition, where they showcased their dedication and growing confidence in recitation.

ISLAMIC EDUCATION - HS

On behalf of the Islamic team, we are delighted to share highlights from the first Islamic Week we celebrated at EISM High School. This special event showcased the students' dedication and outstanding work.

The First Chairman Khalaf Al Habtoor Quran and Hadith Memorization competition was held from 15th to 17th April 2025. This event marked an exciting and memorable day for our students and Islamic Studies staff, who have worked tirelessly to reach this remarkable milestone. We are delighted that our students achieved outstanding success, winning several prizes in the Competition.

Our students at EISM attend and also participate in the UAE Union Day event of seminar with the title " المواطنة الصالحة الدعامة الأساس لسعادة المجتمع " of which is informative and increase the awareness to .the UAE history

The students understand the seerah of Prophet Muhammad SAW and its importance to establish peace in the world. They also meet with the renowned scholars of the UAE. It highlights the impact of the month of Rabi-ul-Awal and the importance of Mawlid-Un-Nabawi in UAE Culture.

WINTER CONCERT

The Winter Concert at EISJ was a vibrant celebration of student creativity and musical excellence, bringing together the school community for a truly memorable evening. Held in the “blue area” at school this year, the event featured a rich variety of performances across Primary and Secondary school - from heartfelt vocal solos and energetic dance routines to impressive instrumental showcases.

Each act reflected the hard work and enthusiasm of the students, capturing the festive spirit through music and movement. The seamless blend of live performance, choreography, and musical talent created an uplifting atmosphere that resonated with the audience. A special thank you to Ms. Dee and the Events Team under the guidance of Aras Aziret for their invaluable support to make this event happen!

“This year, I sang in a small group for the school's Winter Concert, and it had such a vibe. We kicked things off with “Own Kind of Music” and surprised everyone with “All I Want for Christmas” at the end. Practices were full of laughs, and performing on stage felt exciting and unforgettable. Everyone seemed to enjoy the show, and I’m glad I got to be a part of it”. (Zoya Khan)

CREATIVE ARTS - PS

This year in Primary Visual Arts, the studio truly buzzed with a vibrant energy that stretched from the youngest artists in Year 1 all the way up to the imaginative minds in Year 6. What a joy it was to witness the explosion of creativity and, yes, a fair bit of glorious messiness! Ms. Ella and Ms. Hana truly inspired us all, guiding us through a fantastic exploration of materials and techniques.

From the satisfying squish of paint between our fingers to the delicate strokes of pastels bringing our visions to life, each lesson was an adventure. We delved into the tactile world of sculpture, transforming lumps of clay into bowls and experiencing the satisfying process of working with plaster on unique forms. It wasn't just about learning how to use these materials, but about discovering our own artistic voices through them.

We will always remember the discovery of potato prints, the proud smiles as we displayed our fairy village, and the collective wonder as we shaped tinfoil. These weren't just art lessons; they were opportunities to experiment, to take risks, and to see the world in new and colorful ways. Thank you, Ms. Ella and Ms. Hana, for fostering such a wonderfully creative and inspiring space for all our students. We can't wait to see what masterpieces next year will bring!

MUSIC - PS

In Upper Primary music classes for Grades 3 to 6, students engaged in a dynamic and enriching musical journey that nurtured creativity, cultural awareness, and critical listening skills. They explored a wide range of music genres—from classical masterpieces by Vivaldi, Bach, and Holst to reggae rhythms through the works of Bob Marley, and rich traditional Emirati music, including ceremonial songs like Ayyala and Harbiya. This exploration helped students develop an appreciation for global sounds and cultural diversity.

In addition to listening and analysis, students learned about influential composers and significant moments in music history, connecting music to historical, social, and cultural contexts. They built strong foundational skills such as reading musical notation, identifying note values, composing short rhythmic patterns, and understanding tempo and dynamics.

Interactive rhythm games, body percussion, group performances, and the use of digital tools like Chrome Music Lab and GarageBand encouraged collaboration and creativity. These activities not only deepened their understanding of musical concepts but also boosted their performance confidence and ability to express themselves musically. Overall, the program fostered a love of music while promoting critical thinking, teamwork, and personal expression.

DRAMA - PS

This academic year has been an exciting and enriching journey for our Year 3 to 6 students in Drama. Through a diverse range of topics—such as musical theatre, poetry performance, puppetry, costume design, and playscript writing—students were given the opportunity to explore storytelling from multiple perspectives. Each term allowed them to step into new roles, discover new skills, and build their confidence as performers and creators.

More than just learning to act, our students developed essential communication and collaboration skills. They learned how to express emotions, listen actively, and work together to bring stories to life. Whether performing monologues, designing masks, or presenting moral dilemmas through original plays, students were encouraged to think critically and creatively, developing both their artistic abilities and personal growth.

We are incredibly proud of the dedication, enthusiasm, and courage shown by our students throughout the year. Their willingness to embrace new challenges and support one another on stage reflects the values we strive to nurture at EISM. As they continue their learning journey, we are confident they will carry forward the confidence, empathy, and creative spirit they've developed in the Drama classroom.

CREATIVE ARTS - HS

This year, the Secondary Visual Arts studios at EISM were a vibrant hub of creativity and exploration for students across Years 7 to 13, guided by the passion and expertise of Ms. Hijazi and Ms. Smyrniotis. It was truly inspiring to witness the depth of engagement and the diverse artistic journeys our students undertook. The studio became a space where ideas took shape—sometimes literally—as students explored both traditional and contemporary art-making techniques.

Throughout the year, students immersed themselves in a variety of creative processes. They developed complex three-dimensional works, crafting abstract clay figures and intricate plaster birds that showcased both imagination and technical finesse. The exploration of tessellation allowed for a unique fusion of mathematics and art, while lino block printing challenged students to master the power of graphic repetition and visual storytelling. Still life painting provided an opportunity to refine their use of gouache, watercolour, and acrylics, capturing texture, form, and atmosphere with increasing confidence and sophistication.

The culmination of these experiences was most evident in the independent projects, which reflected the individuality, voice, and passion of each student. From concept to creation, their work demonstrated critical thinking, personal expression, and a deep appreciation for the visual arts. A heartfelt thank you goes to Ms. Hijazi and Ms. Smyrniotis for fostering an environment where artistic growth and self-discovery flourished. The skills and insights gained this year will continue to serve our students in their creative and academic pursuits for years to come.

MUSIC- HS

This year, our Secondary Music classrooms were alive with creativity, inquiry, and musical discovery. Across Years 7 to 9, students explored a wide range of genres, traditions, and technologies—ranging from music technology and Minimalism to African drumming and musical fusion. Through composing with digital tools, analyzing key historical genres, and writing meaningful lyrics in interdisciplinary projects, students not only developed their musical understanding but also deepened their connection to world cultures and global issues. Their enthusiasm and curiosity brought every lesson to life.

In our senior years, students in Year 11 engaged deeply with the concept of "The Future Through Art," composing original pieces inspired by influential artists while showcasing their growth through reflective ePortfolio work. Their musical voices came through powerfully, both in written analysis and original compositions. Meanwhile, Year 13 students in the Diploma Programme successfully completed all four core units of the DP Music course. Their work demonstrated sophisticated analysis, expressive composition, and collaborative production, bridging academic study with real-world musical practice. They emerged as confident, thoughtful musicians with a strong grasp of both tradition and innovation.

Throughout the year, our music students across all levels demonstrated a commitment to critical thinking, creativity, and personal expression. Whether performing, composing, or analyzing, they embraced every challenge with imagination and resilience. The Music Department remains proud of their achievements and looks forward to nurturing their musical journeys in the years ahead.

PHYSICAL HEALTH EDUCATION - PS

What an action-packed and unforgettable year it's been in Primary PE! Our students have thrown themselves into every challenge with energy, enthusiasm, and a fantastic team spirit. Through a wide variety of engaging units—ranging from Invasion Games and Net Games to Athletics, Striking & Fielding, and Health & Fitness—students have not only developed their physical skills but also grown in confidence, resilience, and collaboration. Lessons have been filled with ample learning opportunities and plenty of movement as students worked together, supported one another, and pushed themselves to improve week by week.

One of the year's biggest highlights was our spectacular Sports Days, where every student had the chance to shine. From sprints to relays and obstacle races, the atmosphere was electric with house pride, cheers from the sidelines, and a celebration of sportsmanship and effort across all year groups.

Outside of curriculum time, our competitive squads trained with focus and determination, proudly representing EISM in Football, Basketball, Athletics, Swimming, Cricket, Netball, and Rugby. These students showcased not just skill and commitment, but also the values we celebrate in PE—teamwork, respect, and passion.

It's been a year of movement, milestones, and memories. We can't wait to build on this momentum and make next year even bigger and better!

PHYSICAL HEALTH EDUCATION - PS

PHYSICAL HEALTH EDUCATION - HS

Over 600 students from Years 7 to 13 came together for EISM's biggest ever Sports Day, marking a true celebration of athleticism, teamwork, and house pride. Throughout the day, students competed in a wide variety of track and field events, displaying incredible determination, resilience, and enthusiasm in every race, jump, and throw. The event not only showcased individual talent but also reinforced a strong sense of community spirit across all year levels.

A heartfelt thank you goes to our Year 12 and 13 students, whose leadership and support were instrumental to the day's success. From officiating events to coaching younger students and managing logistics, their maturity and encouragement made a visible impact and ensured the smooth running of every activity. Their presence exemplified the value of student leadership and set a strong example for the younger participants.

After a day filled with fierce yet friendly competition, Dhows House emerged as the overall champions, demonstrating consistency, unity, and strength across every event. However, the real highlight was the collective effort of all students who took part with such energy and positivity. Congratulations to every athlete for their sportsmanship and for contributing to what made the day truly unforgettable.

Beyond Sports Day, this year marked a milestone in EISM High School sport, with over 30 teams proudly representing the school in DASSA competitions. Our students competed in football, basketball, volleyball, athletics, and swimming, showing unwavering commitment and team spirit. New development clubs in rounders and netball created even more opportunities for students to engage with sport and develop their skills. Thanks to the dedication of our athletes and coaches, we celebrated an incredible achievement—tripling our league titles from last year. Congratulations to our champion teams: U12 Boys Football, U14 Girls Basketball, U16 Boys Football, U16 Boys Basketball, and Y7–13 Swimming (Division 3). We are proud of every student who represented EISM with pride—and we look forward to an even bigger and better season ahead.

PHYSICAL HEALTH EDUCATION - HS

UNION DAY

UAE Union Day is always a treasured celebration at Emirates International School Meadows, and this year was no exception. As we came together to honour the unification of the seven Emirates, our school community proudly celebrated the spirit, heritage, and unity that define this great nation.

Throughout the week, the campus was alive with excitement and national pride. Students and staff embraced the vibrant colours of the UAE flag, while engaging in a range of activities that deepened their understanding and appreciation of the country's rich history and culture.

One of the highlights of the week was our Union Day Assembly, a spectacular celebration of tradition and talent. From songs to powerful readings and dynamic dances, the event brought our community together in joyful tribute to the UAE. A special moment was seeing our Emirati students shine on stage, proudly sharing their heritage through dance.

Adding to the excitement, our High School students curated a 'Walking Museum', showcasing interactive displays and historical insights that traced the journey of the UAE from its formation to the present day. Their creativity and research brought the past to life, inviting visitors of all ages to reflect on the nation's incredible journey.

Meanwhile, on the school grounds, our Petting Zoo became a hub of joy and wonder for our younger learners. Surrounded by animals and guided by our staff, students connected with nature and enjoyed a hands-on experience that added a fun and unique twist to the day's celebrations.

Across both Primary and High School, students explored the importance of Union Day during their MSC lessons, engaging in thoughtful activities that helped them understand the values of unity, progress, and pride.

UAE Union Day 2024 at EISM was a powerful and joyous reminder of the pride we share as members of this nation. It was a celebration filled with learning, laughter, and a deep sense of belonging.

INTERNATIONAL DAY

On February 14th, 2025, our school was transformed into a vibrant celebration of global unity as we marked International Day under the theme "One World, Many Cultures." The entire campus buzzed with excitement, showcasing the rich tapestry of nationalities and traditions that make up our diverse school community.

Students arrived dressed in their national attire, representing over 80 countries with pride, color, and joy. The day began with the much-anticipated Parade of Nations, where students carried their flags high and walked with pride as national anthems played and families looked on. It was a powerful display of identity and unity that set a joyful tone for the festivities that followed.

Throughout the day, the school stages came alive with performances that transported audiences across continents. From traditional dances and musical pieces to spoken word and cultural showcases, students brought their heritage to life with creativity and passion. These performances highlighted not just talent, but also a deep sense of respect for each other's cultures.

Another major highlight was the international food stalls, where families contributed dishes from their home countries. The variety of flavors and aromas created a sensory journey for everyone to enjoy, encouraging students to explore global cuisines and learn more about the stories behind each dish. It was a delicious way to connect and celebrate cultural diversity.

A heartfelt thank you goes to all our families, staff, and local business partners who made this day possible. Their support, enthusiasm, and generosity helped bring our vision to life. International Day was more than just a celebration — it was a reminder that our diversity is our strength, and that by learning from one another, we grow into more compassionate, globally-minded individuals.

INTERNATIONAL DAY

INTERNATIONAL DAY

CONTINUMM EXHIBITION

At Emirates International School Meadows, we are proud to be an IB World School offering the full IB Continuum: the Primary Years Programme (PYP), the Middle Years Programme (MYP), and the Diploma Programme (DP). This year's IB Continuum Exhibition brought together our entire learning community in a vibrant celebration of inquiry, growth, and meaningful connection.

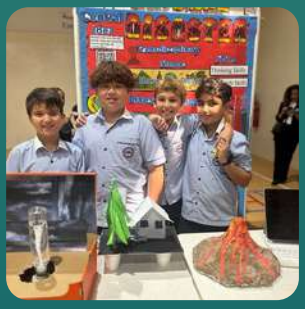
The event was the result of thoughtful collaboration between the PYP, MYP, and DP teams. It was not just a display of student work—it was a living, breathing expression of the IB philosophy. Each programme's unique identity was celebrated: the PYP's curiosity and transdisciplinary approach, the MYP's conceptual and interdisciplinary focus, and the DP's academic rigour and global awareness.

Students explored and presented big ideas around themes like identity, innovation, the environment, and human interaction. Their contributions ranged from research inquiries and design prototypes to extended essays, personal projects, and artistic pieces. Together, these projects formed a powerful tapestry of student voice and agency that reflected learning across all age groups.

One of the most inspiring aspects of the exhibition was the sense of journey and connection it created. Younger students looked ahead with excitement, seeing what's possible as they progress through the IB. Older students, meanwhile, reflected on how far they had come, connecting their current achievements to the foundational skills developed in earlier years.

This special event was also a celebration of community. Teachers collaborated across programmes, students confidently led discussions and tours, and families engaged in hands-on experiences. The atmosphere was joyful and energising—a true reflection of our shared values. We thank everyone who contributed to the success of the IB Continuum Exhibition and look forward to continuing this powerful tradition of connection, learning, and celebration.

CONTINUMM EXHIBITION



CHEVRON READERS CUP - PS

Our Year 6 students, Kaavya Mukund and Advait Reghu have achieved an incredible milestone by reaching the final round of the prestigious Chevron Reader' Cup competition at the Emirates Literature Festival! They read three amazing books and answered over 100 questions about the different stories. Their hard work, passion for reading, and teamwork truly stood out among tough competition, and this accomplishment is a testament to their dedication and literary talent. Succeeding to the final round is a remarkable achievement! Well done Kaavya and Advait!

CHEVRON READERS CUP - HS

6 lucky students from High Schooll were selected this year to compete in the prestigious Chevron Readers' Cup. When they signed up, they knew exactly what they were committing - reading three full books in just four weeks, cover to cover.

The online competition took place in November, where our Secondary team went head-to-head with hundreds of schools across the UAE. Although they didn't advance to the next round, our students delivered a fantastic performance.

Their dedication and hard work shone through as they displayed impressive teamwork, critical thinking and problem-solving skills. Their enthusiasm for reading and learning was evident, and their participation was a powerful reflection of their drive for personal growth and academic excellence.

Students included Omar Haffar (7E), Alishba Sharma (7C), Arshiya Malik (10C), Hala Haffar (9A), Aahana Singh (8A), Aarav Singh (7D).

FLAG DAY

Flag Day Celebration at EISM – A Tribute to Unity and Pride.

Flag Day at EISM, was a vibrant and meaningful celebration that brings our diverse community together in honour of the UAE's unity, leadership, and values. Held on November 3rd, this day reflects our respect for the UAE's heritage and our gratitude for the country we proudly call home.

This year, our Emirati students and staff gathered, dressed in National dress whilst other students wore red, green, white, and black—the colours of the UAE flag. As the flag was raised high at 11:00 am, the national anthem echoed through the campus, evoking a shared sense of pride and belonging. Abdullah Buruquiba – our Emirati Head Boy, representing all students, staff, and families of Meadows, had the honour of raising the UAE flag—an unforgettable moment that reflected the unity of our school community.

Student representatives delivered heartfelt speeches in Arabic and English, reflecting on the importance of loyalty, unity, and the spirit of tolerance that defines the UAE.

Classroom activities throughout the week explored the flag's symbolism and the nation's journey since unification in 1971. From art projects in primary to historical reflections in secondary, every student engaged in meaningful learning that deepened their connection to the UAE.

Flag Day is more than a school event—it's a celebration of our shared commitment to the UAE and a reminder of the strength found in unity and diversity at EISM.

English

World Book Day – March 2025
EISM came alive with creativity and colour as students across Primary and High School and celebrated World Book Day in style! From classic heroes to modern icons, students dressed up as their favourite book characters, filling the halls with literary magic.

Throughout the week, students took part in a variety of exciting competitions, from writing their own blurbs and designing imaginative new book covers, to testing their knowledge of beloved stories. Winners for best dressed were awarded fantastic prizes from Magrudy's.

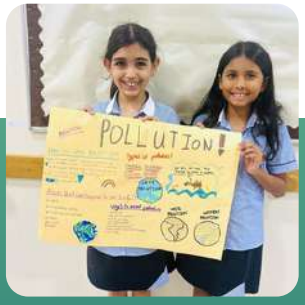
It was a wonderful celebration of imagination, storytelling, and a shared love of reading across our school community.

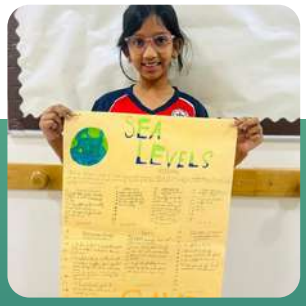
Poetic Heart – February 2025
Aryaman Singh in Y9 proudly represented EISM at the *Poetic Heart* festival, hosted at the Emirates Institute of Finance. He read his original poem in front of an audience of over 800 participants, including some of the most talented poets from across the UAE. Aryaman delivered his piece with confidence and emotion, embodying the spirit of creativity and expression that EISM values. His performance was a memorable moment and a proud achievement for our school community.

Science

This year, Primary School students at EISM embraced science, sustainability, and innovation through a vibrant collection of learning experiences that celebrated curiosity and creativity. From the hands-on Science Holiday Challenge, where students built dioramas, coded games, and engineered eco-solutions, to exciting lab visits and STEM workshops, science truly came to life across every year group. Students explored topics of personal interest, designed functional projects, and showcased their findings through Toddle — a powerful demonstration of voice, choice, and scientific thinking in action.

Science Week was a major highlight, energising the school with dynamic activities and inspiring experiments. Year 4–6 students visited the High School science labs, stepping into the world of real scientists, while Year 7 students became science leaders, conducting the ever-popular Elephant Toothpaste experiment for Year 1 and 2. Across the school, Junk Bot workshops introduced students to the exciting world of coding, robotics, and AI, while the Eco-Toy Challenge combined creativity with environmental responsibility. The week concluded with an inspiring Dress-Up Day, where students wore costumes made from recycled materials to promote eco-conscious living.





Science

Beyond the classroom, our learners took part in unique, real-world experiences that broadened their understanding of sustainability. In the Sustainable Café Project, Year 4–6 students partnered with Rich Delights Café to learn about eco-friendly business practices. Armed with new knowledge and AI tools, they designed their own sustainable café concepts, proudly presenting them to school leaders and the café's owner. Similarly, the Climate Detectives after-school club allowed young environmentalists to research climate challenges and engage with our school's sustainability team to better understand how action can start locally.

Guest speakers and workshops further enriched our students' environmental awareness. Year 5's Eco-Waste Workshop at Expo provided valuable insight into waste sorting and recycling, while Ms. Ella Clemits from DGrade inspired students with a powerful talk on transforming plastic bottles into sustainable clothing. These experiences, coupled with the enthusiastic participation across initiatives, reflected the heart of our Primary School: a community of empowered learners ready to protect the planet and innovate for the future.

STUDENT WELLBEING / LEADERSHIP

At EISM, student wellbeing has been at the forefront of school life this year, with dedicated initiatives such as Wellbeing Wednesdays and the introduction of the Zones of Regulation. These weekly sessions allowed Primary students to explore key themes like Healthy Me, Relationships, and Expressing Emotions, while learning practical strategies such as mindful breathing, positive affirmations, and meditation to manage their emotions. Daily emotional check-ins have helped students build self-awareness and resilience, supporting their academic and social growth. Experiences beyond the classroom, such as the Year 4–6 school camps, further enhanced students' wellbeing by promoting independence, teamwork, and confidence in real-world settings.

Student leadership has also thrived, with Primary Leaders stepping up to make a meaningful impact across the school. From organising major events like Sports Day and International Day to encouraging inclusive play during break times, our student leaders have modelled responsibility, empathy, and initiative. Their efforts have strengthened the school's sense of community and helped create an environment where every student feels supported, heard, and inspired. We are incredibly proud of all they have achieved this year.

UNIVERSITY DESTINATIONS

EISM is pleased to announce the successful academic placement of the Class of 2025, who are now strategically positioned to pursue their professional aspirations. This year's university placement data demonstrates exceptional outcomes, with students securing admissions to prestigious institutions and collectively receiving scholarship awards totaling $204,000.

The academic major trends for this graduating class reveal a significant concentration in International Business and Finance, this is closely followed by robust representation in Computer Science and Engineering, reflecting the current technological and global business landscape.

The comprehensive placement results underscore our institution's commitment to preparing students for competitive academic and professional environments, enabling them to translate their academic achievements into meaningful career opportunities.
