MISVISION

Our Vision

To enable our students to excel and thrive in a happy, safe and successful environment whilst providing substantial academic rigour.

Our Mission

EIS Meadows is a learning community where students are ready, respectful and safe in all they do. Students are empowered to think critically and creatively and to show resilience in their search for success. Our inclusive environment and innovative enquiry based international education fully prepares students for their future.

Our Philosophy

Our Philosophy at EIS Meadows, we foster a love of life-long learning through an innovative, inspiring IB curriculum that allows students to be leaders of their own learning journey. We nurture open-minded, principled, independent learners who exhibit self-awareness and grow to be responsible global citizens. We foster inter-cultural sensitivity and personal responsibility to encourage internationally minded young adults who are fully prepared for our future world.

MESSAGE FROM DIRECTOR OF SCHOOLS

MS. AMNA AL HABTOOR

As another remarkable year draws to a close at EIS-Meadows, I would like to extend my heartfelt congratulations to every student, parent and staff member, for their invaluable contributions. Together, we have celebrated achievements, embraced change, and created memories that will be cherished for years to come.

This yearbook offers a wonderful opportunity to reflect on the many unforgettable moments your child has experienced throughout the academic year. Our students, true ambassadors of the International Baccalaureate spirit, have demonstrated exceptional resilience, open-mindedness, and determination. They have faced challenges with courage, overcome obstacles, and emerged stronger, better prepared for the journey ahead. I am incredibly proud of their unwavering commitment and commend their outstanding accomplishments.

To our dedicated EIS-Meadows parents, your continued support and active involvement have played an essential role in our collective success. Thank you for being our trusted partners in education and for your steadfast encouragement throughout the year.

As we turn the page to a new chapter, let us take a moment to celebrate all that we have achieved together and look ahead with hope and excitement for the opportunities that lie before us. This year has once again proven that with unity, perseverance, and a shared vision, we can accomplish great things.

Wishing you all a restful, joyful, and restorative summer break. May it be a time of reflection, growth, and cherished moments with loved ones - preparing us for the bright future that awaits.

SCHOOL PRINCIPAL

MR. IAN WARD

As we bring to the close another remarkable year at EIS Meadows, I am filled with immense pride and gratitude for everything we have achieved together as a school community. This year has been one of challenge, resilience and success, demonstrating once again the strength of our shared values and our unwavering commitment to providing the best education for every child.

Whilst this year presented periods of uncertainty that required us to move temporarily back to online learning, what stood out above all else was the resilience and determination of our entire community. Our students continued to embrace every learning opportunity, our staff adapted with professionalism and creativity, and our parents remained steadfast in their support. Together, we demonstrated that learning, relationships and community can thrive regardless of the circumstances we face.

One of our greatest achievements this year was the successful authorisation to deliver the IB Career-related Programme (IBCP), completing our IB Continuum and providing our students with an exceptional range of pathways for their future. This significant milestone reflects years of dedication, collaboration and a relentless pursuit of excellence, ensuring that every learner can follow a pathway that best matches their strengths, aspirations and ambitions.

This year has also been especially meaningful as we celebrated 20 years of EIS Meadows. It has been a wonderful opportunity to reflect on the legacy of our school, celebrate the thousands of students whose lives have been shaped here, and look forward with confidence to an exciting future. Throughout the year, our community has come together to celebrate this milestone with pride, recognising that our greatest strength has always been our people.

To our students, thank you for your resilience, determination and enthusiasm. Whether in the classroom, on the sports field, through the arts or in service to others, you have continued to inspire us with your achievements and your willingness to embrace every opportunity.

To our parents, thank you for your trust, encouragement and partnership. Your continued support, particularly during the more challenging moments this year, has been invaluable. Together, we have ensured that every child has remained at the centre of every decision we have made.

A special highlight of the year has been the many opportunities we have had to come together as a community. From our Eid Al Etihad and International Day celebrations to our performances, exhibitions, sporting events, graduations and our 20th Anniversary Oscar's celebrations, these moments have reminded us of the diversity, warmth and sense of belonging that make EIS Meadows such a special place.

Finally, to our exceptional staff, thank you. Your dedication, compassion, professionalism and unwavering commitment to our students have been extraordinary. You have consistently gone above and beyond, adapting to every challenge whilst ensuring that our students continued to receive an outstanding educational experience. Your passion is the foundation upon which our success is built.

As we conclude another memorable academic year, I would like to thank every member of our EIS Meadows family for the role you have played in our journey. Together, we have overcome challenges, celebrated significant milestones and continued to strengthen the culture that makes our school so unique.

I wish you all a safe, restful and well-deserved summer break. I look forward to welcoming you back for another exciting year as we continue to build on this year's successes and strive for even greater achievements together.

HEAD OF HIGH SCHOOL

MS. AMANDA MURPHY

As I reflect on my first year as Head of High School at Emirates International School Meadows, I do so with an overwhelming sense of pride and gratitude.

This year has been one of both challenge and opportunity. Like many school communities across the UAE, we have experienced periods of uncertainty and disruption that required us all to adapt, show resilience and support one another in ways we may never have anticipated. Yet, through it all, what has stood out to me most has been the strength of our community.

I have seen students embrace new opportunities, persevere through challenges and continue to strive for excellence, both inside and outside the classroom. I have seen staff go above and beyond to ensure that learning continued and that every student felt supported, valued and inspired. And I have witnessed the unwavering partnership of our parents, whose encouragement and trust play such an important role in the success of our school.

At Meadows, we are proud to be an IB World School, and our mission extends far beyond academic success alone. We believe in developing young people who are knowledgeable and ambitious, but also kind, principled and compassionate. Young people who understand the importance of integrity, service and making a positive contribution to the world around them.

This year has been filled with many moments of celebration. From outstanding academic achievements and examination successes to achievements in sport, the arts, service and student leadership, our students have continued to demonstrate the many talents that make our community so special.

We have also continued to grow and innovate as a school. The authorisation of the IB Career-related Programme marks an exciting new chapter for Meadows, further strengthening the pathways and opportunities available to our students and ensuring that every learner can pursue a future that aligns with their passions, strengths and aspirations.

As you read through the pages of this yearbook, I hope you will see much more than photographs and memories. I hope you will see a community that cares deeply for one another, that celebrates success in all its forms and that understands that some of life's greatest lessons are learned not only through achievement, but through perseverance, friendship and shared experiences.

To our graduating students, thank you for the legacy you leave behind and for the contributions you have made to our school community. To all of our students, I encourage you to reflect on the year with pride, celebrate your successes and cherish the memories and friendships that make Meadows such a special place.

I would like to extend my sincere thanks to our exceptional staff, our dedicated support teams and our wonderful parents for their continued commitment to our students and to the values that make our community so strong. This year has reminded us that while we cannot always control the challenges that come our way, we can choose how we respond to them. At Meadows, we choose to respond with resilience, kindness, ambition and a belief in one another.

I have no doubt that the very best of Meadows is still to come.

HEAD OF PRIMARY SCHOOL

MS. SARAH MARSHALL

As I stepped through the doors of Emirates International School, Meadows for the very first time, I was instantly welcomed with open arms by students, staff and families alike. A year has now passed, and I can honestly say that I feel truly part of this very special EISM community, a community that is far more than a school; it is a family. For that, I sincerely thank each and every one of you.

What an incredible year it has been, and certainly an unexpected one at times. Yet, in true EISM style, we have embraced every challenge with positivity, resilience and courage. Together, we have demonstrated what it means to be a caring and connected community, always placing our children at the heart of every decision.

Our students continue to amaze us every single day. They have grown not only academically, but as confident, compassionate and principled young people. They have embraced inquiry with curiosity, shown resilience when faced with challenges, reflected on their learning, taken meaningful action, and demonstrated the attributes of the IB Learner Profile in so many ways. Watching their confidence flourish and their individuality shine has been one of the greatest privileges of this year.

This year has also been filled with unforgettable memories. From our spectacular Winter Concert and vibrant International Day celebrations to the many exciting events throughout the year, we have celebrated learning, diversity, culture and, most significantly, 20 wonderful years of Emirates International School, Meadows. Each event reminded us of the strength of our community and the joy that comes from learning and celebrating together.

Beyond the classroom, our students have proudly represented EISM in an incredible range of competitions and events. Whether competing in Science, Maths, Arabic and Quran competitions, performing on stage, or representing the school across numerous sporting teams, they have displayed determination, sportsmanship, teamwork and excellence. They have made themselves, their families and our entire school community proud.

Throughout the year, our learners have embraced countless opportunities to discover new passions, develop new skills and challenge themselves. These experiences have helped them flourish into the confident, internationally minded young people they are today, ready to continue making a positive difference in the world around them.

None of this would be possible without our remarkable staff. Their commitment, passion and dedication have created the inspiring learning experiences, treasured memories and caring environment that make EISM so special. They continually go above and beyond for our children, and we are incredibly grateful for everything they do.

To our parents, thank you for your trust, encouragement and partnership throughout the year. Whether supporting learning at home, attending school events or working alongside us, your involvement plays an invaluable role in making our community so strong. Together, we create the very best environment for our children to thrive.

As we reflect on another memorable year, we have so much to celebrate and be proud of. Most of all, we celebrate our children, who continue to inspire us every day through their kindness, curiosity, resilience and determination. They truly embody what it means to be lifelong learners.

As one chapter closes, another exciting one begins. We look forward with great optimism to the 2026–27 academic year, continuing our journey together as one EISM family, creating new memories, embracing new opportunities and ensuring every child continues to flourish.

Have a wonderful, safe and restful summer. We look forward to welcoming you back for another exceptional year at Emirates International School, Meadows.

A JOURNEY THROUGH THE YEAR

What a fantastic year it has been! We have seen tremendous growth in our children – physically, emotionally, socially, and academically. Moving from EY1 to EY2 is a big milestone, and preparing for Year 1 is an even bigger step. We are incredibly proud of everything our young learners have achieved this year. At the start of the year, many children walked through our doors feeling unsure or nervous. But over time, we've watched them grow into confident, happy learners who feel safe, secure, and settled in their learning environment. They've built strong friendships and formed special bonds with the adults around them.

Across the curriculum, the children have shown fantastic progress. Their learning has been deep and meaningful – not just a straight line, but a spiral where we've revisited ideas, built on previous knowledge, and challenged ourselves to think more deeply. There has been so much creativity, innovation, and joy in the learning process.

Our learning has extended beyond the classroom through a range of exciting trips. Whether it was becoming chefs at Pizza Express, expressing ourselves through art at Medaf, or sharing a special moment with the elderly at the Senior Happiness Centre – each experience has added richness and meaning to what we've explored in school.

We've also enjoyed celebrating our achievements and making happy memories together – from earning marble jar rewards to dressing up on themed days and enjoying our Lakeside picnic. Our beach clean-up showed us how to care for our world, and the Secret Reader sessions helped connect our families with our learning in a truly meaningful way.

Thank you to all our wonderful families for your support, trust, and partnership this year. We are so grateful to walk this journey with you and look forward to what the future holds for our amazing little learners.

Ms. Kavya Gojer

A JOURNEY THROUGH THE YEAR

As we reflect on an unforgettable year in Year 1, we couldn't be prouder of everything our learners have achieved. They have grown into confident, kind and independent learners who have embraced every challenge with curiosity, resilience and enthusiasm. Throughout the year, they have developed into excellent communicators, thinkers and collaborators, always supporting one another and showing our Learner Profile attributes every day.

This year has been filled with exciting adventures and unforgettable experiences. We explored the wonders of the rainforest during our visit to the Green Planet, became budding chefs as we made our own delicious pizzas, and even enjoyed tasting gingerbread after bringing The Gingerbread Man story to life! Our fantastic dress-up days sparked imaginations as we transformed into giants, animals and storybook characters, making our learning even more memorable and meaningful.

From hands-on investigations and creative storytelling to exciting discoveries and lots of laughter, every experience has helped us grow in confidence and develop a love of learning. We leave Year 1 with wonderful memories, lasting friendships and so much to be proud of. We know our learners are more than ready for the exciting journey ahead in Year 2, and we will always look back on this incredible year with smiles, knowing we achieved so much together.

A JOURNEY THROUGH THE YEAR

As we reflect on an unforgettable year in Year 2, we couldn't be prouder of everything we have achieved together. We have grown into confident, independent learners, embraced challenges with resilience and shown creativity, curiosity and kindness in all that we do. Throughout the year, we developed our learner profile attributes and ATL skills becoming excellent communicators, thinkers, risk-takers and collaborators.

Although this year brought the unexpected challenge of distance learning, we continued to work incredibly hard supporting one another and proving that learning can happen anywhere. Our determination and positive attitudes meant that we made fantastic progress and created memories that will last a lifetime. From our exciting trip to inspire our instruction writing to welcoming visitors who taught us all about maps and navigation, every experience helped bring our learning to life.

We loved becoming superheroes, journeying through the rainforest, exploring the wonders of space and discovering the world around us through inquiry and imagination. Our Year 2 adventure has been filled with laughter, discovery, friendship and success. We will always look back on this year with pride knowing that together we achieved something truly special.

A JOURNEY THROUGH THE YEAR

This year has been a truly delightful, yet testing journey for our Year 3 students. They embraced every opportunity with enthusiasm, resilience, and positivity, adapting brilliantly to changing circumstances while continuing to grow both academically and personally. Their cheerful attitudes, wonderful sense of humour, and ever-present smiles made the classrooms a happy and welcoming place each day.

Throughout the year, the students developed their knowledge and skills through engaging learning experiences, including fascinating Ancient Civilisation workshops that brought history to life. They proudly showcased their understanding through creative projects, demonstrating both independence and imagination. Collaboration was another highlight, with the children working together to design and construct impressive cityscape models that reflected their growing teamwork, communication, and problem-solving skills.

Beyond the classroom, Year 3 enthusiastically embraced the wider life of the school community. Whether representing the school in sports teams, participating with determination in Sports Day, enjoying after-school activities, or demonstrating discipline and commitment to their learning each day, they approached every challenge with energy and pride. It has been a privilege to watch this kind, resilient, and spirited group flourish throughout the year, and we look forward to seeing all they will achieve in the future.

A JOURNEY THROUGH THE YEAR

Throughout this academic year, our Year 4 students have embraced the IB philosophy with enthusiasm, curiosity, and compassion. They have grown into confident inquirers, reflective thinkers, and caring individuals, demonstrating the attributes of the IB Learner Profile in their daily learning and interactions. We are incredibly proud of all they have accomplished throughout this remarkable year.

Our students have engaged in meaningful inquiry, developed essential Approaches to Learning skills, and strengthened their ability to think critically, collaborate effectively, communicate with confidence, and take ownership of their learning. Through each Unit of Inquiry, they explored real-world concepts, made meaningful connections across subjects, and developed a deeper understanding of themselves and the world around them. Whether learning in the classroom or through engaging distance learning experiences, they demonstrated adaptability, resilience, independence, and a commitment to continuous growth.

This year provided many memorable opportunities to celebrate learning beyond the classroom. From honouring the rich heritage of the UAE during National Day to embracing international-mindedness on International Day, our students demonstrated respect, appreciation, and empathy for diverse cultures and perspectives. These experiences encouraged them to become courageous risk-takers, resilient problem-solvers, and collaborative team members while strengthening their understanding of the world around them.

As they prepare to transition into Year 5, we encourage our students to continue asking thoughtful questions, taking meaningful action, and approaching every challenge with confidence and integrity. We hope they remain lifelong learners who are knowledgeable, principled, open-minded, reflective, and committed to making a positive difference within their communities and beyond.

The Year 4 team has been privileged to nurture and learn alongside such an inspiring group of young people. We extend our sincere gratitude to our parents and the wider EISM community for their continued partnership and support throughout the year. Together, we have celebrated not only academic success but also the development of compassionate, internationally minded learners who are ready to embrace the opportunities and challenges that lie ahead.

Congratulations, Year 4. We are excited to see where your IB journey takes you next.

A JOURNEY THROUGH THE YEAR

As we reflect on an incredible Year 5 journey, we are proud of the growth, resilience and achievements of every student. One of the year's highlights was our unforgettable Year 5 Camp in Khor Fakkan, where students embraced new challenges, strengthened friendships, and demonstrated teamwork, independence and perseverance through a range of exciting outdoor adventures. Their enthusiasm and positive attitudes made the experience truly memorable.

Our students also showcased their creativity, inquiry and innovation throughout the year. During the How We Organise Ourselves Unit of Inquiry, they applied key Approaches to Learning (ATL) skills, including research, thinking, communication and self-management, while exploring the concepts of form, function and perspective. Working collaboratively, students designed and constructed their own innovative landmarks, demonstrating creativity, problem-solving and an understanding of how architecture reflects the needs and values of communities. They further impressed audiences during the Year 5 Sustainable Energy Exhibition, presenting innovative solutions for a more sustainable future, while Sports Day celebrated teamwork, determination and outstanding sportsmanship.

We were also incredibly proud of our talented Year 5 choir students, who performed at the special Oscars Night, celebrating 20 years of Emirates International School Meadows and contributing to a memorable evening of entertainment. As the year drew to a close, students embraced Moving On Up Day, meeting their Year 6 teachers, exploring their new learning environments and building confidence for the exciting transition ahead.

We congratulate all of our Year 5 students on a fantastic year and wish them every success as they continue to grow, learn and thrive in Year 6.

A JOURNEY THROUGH THE YEAR

Year 6 has been a remarkable year, filled with growth, challenge, and unforgettable experiences. A true highlight was the PYP Exhibition, the culminating project of the Primary Years Programme.

Throughout this journey, students demonstrated independence, resilience, and a genuine passion for learning as they explored issues that mattered to them. They conducted in-depth research, interviewed experts, collaborated with peers and took meaningful action to make a positive difference in their communities. The Exhibition showcased not only their knowledge and understanding but also the confidence, communication, and leadership skills they have developed throughout their primary years.

Beyond the classroom, students embraced many exciting opportunities. The Al Ain residential camp encouraged teamwork, resilience, and adventure, creating memories that will last a lifetime. During our Shark Tank Business Unit, students became young entrepreneurs, developing innovative business ideas, managing budgets and confidently pitching their products to an audience. We were also delighted to welcome parents into school throughout the year to share their expertise and experiences, enriching our learning and strengthening the partnership between home and school.

The year concluded with our Moving on Up Ceremony, a proud celebration of the achievements, friendships, and growth of every Year 6 student. As they leave primary school behind, they do so with the knowledge, skills, and values to thrive in the next stage of their journey. We are incredibly proud of all they have accomplished and look forward to seeing the amazing things they will achieve in the years ahead.

A JOURNEY THROUGH THE YEAR

The 2025–2026 academic year has been an exciting and memorable first year of high school for our Year 7 students. As they transitioned from primary school into the IB Middle Years Programme (MYP), students embraced new routines, different teachers and greater independence with enthusiasm and resilience. Throughout the year, they developed academically, socially and personally, building confidence and forming strong friendships across the year group.

Students enjoyed many opportunities beyond the classroom that made their first year of high school both rewarding and enjoyable. One of the highlights was the Year 7 residential trip, where students developed teamwork, resilience and independence while taking part in a range of outdoor activities. Students also participated enthusiastically in Sports Day, demonstrating excellent sportsmanship, determination and house spirit. Throughout the year, they took part in assemblies, wellbeing activities, Student Voice, charity initiatives, House competitions and a variety of school events that strengthened their sense of belonging within the school community.

This year also marked Year 7's introduction to the IB Service as Action programme. Students completed meaningful service activities that encouraged them to support others, reflect on their learning and make positive contributions to their community. We are incredibly proud of everything Year 7 has achieved during their first year at Emirates International School.

They have grown into confident, responsible and caring young people and are well prepared for the exciting opportunities that await them in Year 8.

A JOURNEY THROUGH THE YEAR

The end of the school year provides the perfect opportunity to celebrate the many achievements, milestones and memorable moments our Year 8 students have experienced together. It has been a year of resilience, growth and maturity, with students embracing new experiences and developing into confident, independent young people. We began the year with an exciting residential trip to Bear Grylls, where students stepped outside of their comfort zones, challenged themselves and, most importantly, allowed their personalities to shine. It was wonderful to see new friendships form and existing ones strengthen through teamwork, adventure and determination. We rounded off 2025 with a fantastic trip to IMG Worlds of Adventure, followed by our Winter Fayre, where many of our Year 8 girls enthusiastically got involved in creating and running some wonderful stalls, helping to make the event such a success.

Sports Day provided students with the opportunity to demonstrate resilience, teamwork and perseverance. While victory wasn't possible for everyone, every student represented their house with enthusiasm, determination and pride. Year 8 continued to impress academically, and it was rewarding to watch their confidence, independence and character continue to flourish both inside and outside the classroom.

Term 3 presented some challenges, but our Year 8 students showed remarkable resilience and bounced back with positivity and determination. It was fantastic to see several of our Year 8 boys showcase their talents during the school's 20 Years Oscars Awards celebration, while many other students were recognised at the IB Awards for their outstanding achievements in both their subject classes and their Approaches to Learning (ATL) skills. It has truly been a transformative year for Year 8, and I could not be prouder of everything they have accomplished.

I would like to thank all of our students and families for their continued support throughout the year, and I look forward to seeing our Year 8 students continue to grow, thrive and achieve great things as they begin their exciting journey into Year 9.

Ms. Kirsty Howard
Year 8 Leader

A JOURNEY THROUGH THE YEAR

As another memorable year comes to a close, our Year 9 students have much to celebrate. This has been a year of growth, new experiences, and exciting opportunities. One of the biggest milestones was choosing subjects for next year's options, giving students the chance to shape their own learning journey as they prepare for the challenges of Year 10.

Throughout the year, they have shown resilience, maturity, and enthusiasm, making us incredibly proud of everything they have achieved. It has also been fantastic to see so many Year 9 students recognised through the IB Learner Profile Awards, with numerous nominations and award winners celebrating qualities such as being principled, caring, knowledgeable, and open-minded. These achievements reflect the outstanding character and values demonstrated by our students every day.

Beyond the classroom, Year 9 embraced every opportunity to get involved in school life. From representing the school in a variety of sports competitions to enjoying the energy and excitement of STREAM Day and Sports Day, students demonstrated teamwork, determination, and school spirit. One standout event for me was the ever-popular Long Ball tournament, which once again proved to be a fantastic occasion full of friendly competition, laughter, and unforgettable moments. We also celebrated our vibrant school community through International Day and Pink Day, highlighting the diversity, inclusivity, and kindness that make our school such a special place.

The year ended with more incredible memories, including A Night at the Oscars, where we proudly celebrated 20 years of excellence as a school. It was a wonderful opportunity to recognise achievements and reflect on how far we have come together. Another highlight was the Year 9 Arabic B trip to Motiongate, where students enjoyed a well-deserved day of fun while strengthening friendships beyond the classroom.

As we look ahead, I would like to thank all of our Year 9 students and families for their positivity, commitment, and enthusiasm throughout the year.

I wish all students every success as they begin the next exciting chapter of their school journey, and I look forward to seeing all they accomplish in Year 10.

Ms. Jade Kewley
Year 9 Leader

A JOURNEY THROUGH THE YEAR

Year 10 has been a year of growth, achievement and unforgettable experiences as students reached the halfway point of the IB Middle Years Programme.

One of the year's biggest milestones was sitting the first ever mock examinations, giving students valuable experience of formal assessments and helping them prepare for the exciting challenges ahead. Throughout the year, students have continued to embody the IB Learner Profile, demonstrating resilience, curiosity and a commitment to making the most of every opportunity.

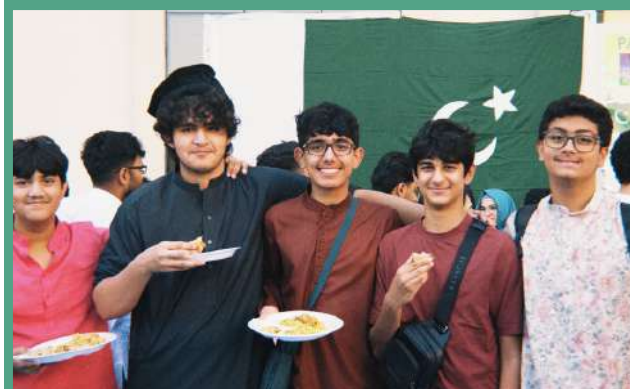

Some of the year's most memorable moments came beyond the classroom. The Sri Lanka Trip gave students the chance to experience a new culture, step outside their comfort zones, strengthen friendships, and create memories that will last well beyond their school years. Across the school, Year 10 students also immersed themselves in Music, Drama, Art, Service, Leadership opportunities, and a wide range of extracurricular activities, continuing to make a positive contribution to the school community.

It has also been a fantastic year for sport, with Year 10 students playing a key role in several league-winning teams and celebrating outstanding success across a variety of sports. These achievements reflected the dedication, teamwork, and determination that have characterised the year.

As Year 10 comes to a close, it leaves behind a collection of milestones, friendships and achievements that have shaped students both inside and outside the classroom, providing a strong foundation for the final year of the MYP and all that lies ahead.

To the Year 12 Class,

Although I won't be standing beside you as you begin your final year at EISM, I wanted to leave you with a few words.

It has been an absolute privilege to be your Head of Year. Over the past year, I have watched you grow not only as students, but as young adults. You have faced the challenges of the IB Diploma Programme with resilience, maturity and determination, and I could not be prouder of everything you have achieved.

As you enter Year 13, remember that success is built on consistency rather than perfection. Work hard, ask for help when you need it, support one another, and don't lose sight of the reasons you started this journey. Your final year will undoubtedly bring moments of stress, but it will also bring memories, achievements and friendships that will stay with you long after you leave these school gates.

Never measure your success by comparison with others. Your journey is your own, and the qualities that truly matter, kindness, integrity, resilience and compassion, will take you much further than any set of exam results ever could.

Thank you for allowing me to be part of your journey. I will always look back on my time with this year group with great pride and fondness. Although I won't be there to celebrate with you next June, I hope to see many of you again at your graduation as you mark the end of an incredible chapter and the beginning of an exciting new one.

I wish each and every one of you every success, happiness and fulfilment in the year ahead and beyond. Believe in yourselves, make the most of every opportunity, and never stop striving to be the very best version of yourselves.

Mr. Broderick
Year 12 and 13 Leader

YEAR 13

To the Class of 2026,

As I write this, you have already walked out of the gates of EISM for the final time, and soon we will both have begun new chapters beyond the walls of the school. It feels strange to think that the corridors are quieter without you, but I hope each of you is embracing the exciting opportunities that lie ahead.

Being your Head of Year over the past two years has been an absolute privilege. For many of you, I had the honour of watching you grow over several years, celebrating your successes, supporting you through challenges, and witnessing you develop into the remarkable young adults you are today. You will always hold a special place in my heart, not only because of the memories we shared, but because you were my final graduating class at EISM.

As you continue your journey through university, work, travel, or whatever path you have chosen, remember that life is not a race. You do not need to have everything figured out straight away. Some of the best opportunities will come from unexpected moments, and some of your greatest lessons will come from setbacks. Be willing to take risks, stay curious, and never be afraid to change direction if your passions lead you elsewhere.

Wherever life takes you, never lose the qualities that made your year group so special. Be kind when no one is watching. Work hard, even when it goes unnoticed. Stay humble in success and resilient in adversity. Measure your achievements not by the titles you earn or the salary you make, but by the positive impact you have on the lives of others.

Thank you for allowing me to be part of your journey. I will always look back on my time with your year group with immense pride and gratitude. Watching you graduate was a fitting end to my own chapter at EISM, and I couldn't have wished for a better final graduating class.

Although our paths have now taken us in different directions, I hope this is not goodbye forever. I look forward to hearing about your achievements in the years to come and, hopefully, seeing many of you again one day. Whatever you choose to do, approach it with integrity, determination and compassion.

Congratulations once again, Class of 2026. Thank you for making my final year at EISM one I will never forget.

PHYSICAL AND HEALTH EDUCATION - PS

This has been an exceptional year for Primary PHE, with students demonstrating outstanding enthusiasm, resilience and a genuine passion for sport and physical activity. Throughout the year, pupils have developed their skills across a wide range of activities while embracing teamwork, leadership and sportsmanship in every lesson.

Our curriculum continued to evolve, providing engaging and inclusive learning experiences that challenged every child to achieve their personal best. Students took ownership of their learning through greater reflection, collaboration and creative problem-solving, while technology and innovative teaching approaches further enhanced the learning experience.

Beyond lessons, participation in fixtures, tournaments and extracurricular activities reached new heights, with many students proudly representing EISM across a variety of sports. It has also been fantastic to see our young Sports Leaders make a positive impact by supporting events and inspiring younger students.

None of this would have been possible without the incredible support of our students, staff and families. Together, we have created a positive sporting culture that celebrates participation, achievement and a lifelong love of physical activity.

We look forward to building on this success in the years ahead.

Mr. Matthew Stoutt

Head of Primary School Physical Education

PHYSICAL AND HEALTH EDUCATION - HS

This year has been one of exceptional progress, achievement, and school spirit within the HS PHE department at EISM. Across every year group, students have embraced opportunities to challenge themselves, develop lifelong healthy habits, and demonstrate the values that underpin our Mavericks community: resilience, teamwork, respect, and perseverance.

Throughout the year, MYP Core PE lessons provided students with opportunities to explore a wide range of activities, including athletics, health related fitness, invasion games, net games, swimming, rhythmic movements and striking and fielding. Students developed their understanding of the components of fitness while applying Our Year 10 and 11 ePortfolio students continued to demonstrate maturity and independence as they developed their analytical skills. Our Y12 and Y13 SEHS students have thrived this year, applying scientific principles and knowledge, to performance while developing strong analytical, investigative, and critical thinking skills.

Beyond the classroom, the Mavericks enjoyed another outstanding year of sporting success. Across football, basketball, volleyball, athletics, and many other competitions, our students represented EISM with pride, determination, and outstanding sportsmanship. Highlights included the U16 Girls Volleyball team being crowned league champions, impressive performances at the City Athletics Championships, and a series of memorable victories across our football and basketball programmes. While results were certainly worth celebrating, it was the commitment, teamwork, and character displayed by every athlete that truly defined the season.

One of the standout moments of the year was Sports Day, where students from every year group came together to celebrate physical activity, healthy competition, and house spirit. The day was filled with outstanding performances, personal bests, and unwavering encouragement from classmates and staff, reflecting the strong sense of community that makes EISM such a special place to learn and grow.

As another successful year draws to a close, we are incredibly proud of everything our students have accomplished. Whether achieving a personal fitness goal, representing the school in competition, or supporting teammates from the sidelines, every student has contributed to a culture of excellence within Physical and Health Education.

We would like to thank our students, families and staff for their continued support throughout the year. We look forward to building on this success and creating even more opportunities for our students to learn, compete, and thrive. Here's to another exciting year for the Mavericks!

SPORTS DAY 2026

SPORTS DAY 2026

WINTER CONCERT

This year's EISM Winter Concert embraced an exciting new format, transforming the sports field into a magical winter wonderland. With a beautifully designed outdoor stage, festive lighting, and seasonal decorations, the concert offered a unique atmosphere that brought our school community together, with many parents attending. The change of venue created a vibrant and relaxed setting, allowing families, staff, and students to celebrate the festive season in a truly memorable way.

One of the highlights this year was the participation of every student in Years 7 to 9, who came together to perform a selection of festive favourites including "Rudolph the Red-Nosed Reindeer", "Jingle Bell Rock", and several other well-loved classics. Seeing so many students singing together filled the venue with energy, joy, and holiday spirit, creating a wonderful sense of community and showcasing the inclusive nature of the concert.

The day also celebrated the incredible individual talents of our students through a wide variety of performances. From impressive instrumental ensembles and confident solo singers to energetic dance performances, the programme offered something for everyone. One performance that will certainly be remembered was the Year 10 group's entertaining rendition of "Santa Baby", which delighted the audience with its confidence, humour, and stage presence. Of course we had to finish the event with the ever popular "All I want for Xmas is you!".

The Winter Concert was a wonderful celebration of creativity, collaboration, and festive cheer, leaving everyone looking forward to next year's event.

Mr. J Brand

Head of Music Department

Head of Faculty (Creative Arts): Primary and High School

OSCARS - THE 20TH ANNIVERSARY CELEBRATION

The highlight of the year was undoubtedly The Oscars – EISM's 20th Anniversary Celebration Concert, a spectacular production that celebrated two decades of excellence at EISM. The concert brought together students from across the High School in a seamless evening of music, dance, and drama, demonstrating the remarkable talent and dedication of our performers. This ambitious production was made possible through the outstanding collaboration between the Music and Drama Departments, led by Mrs Justine Sandoval-Stuart, alongside our exceptional student leadership teams.

A special acknowledgement goes to the Events Team, led by Aras Aziret and Arshiya Malik, whose meticulous planning ensured the evening ran smoothly; the Sound Team, led by Omar Elotafy, who delivered professional-quality audio throughout the performance; and the Backstage Crew, led by Praneel Sambaraju, whose organisation and teamwork kept every transition effortless behind the scenes. Together, they created a truly unforgettable celebration of EISM's 20-year journey.

Academically, students engaged with a broad and stimulating range of musical units that developed both their creative and analytical skills. Students explored topics including Music and the Media, where they composed music for film scenes and advertisements; Minimalist Music, investigating composers and creating their own minimalist compositions; Music Technology, developing original works using digital audio workstations; and Music Business, where students designed and marketed their own music events by creating promotional campaigns, posters, tickets, newspaper articles, and radio and television advertisements. These units encouraged students to think critically, compose creatively, and understand the wider role of music within society and the creative industries.

This year has once again demonstrated the strength of music education at EISM, where students are encouraged to perform, create, collaborate, and innovate. Whether on stage, behind the scenes, or in the classroom, our students have embraced every opportunity with enthusiasm and professionalism.

We are incredibly proud of all they have accomplished and look forward to building on this success in the years ahead.

Mr. J Brand

Head of Music Department

Head of Faculty (Creative Arts): Primary and High School

UNIVERSITY DESTINATION

The Class of 2026 has achieved outstanding university admission results. Our cohort of 75 students received 300 university offers from leading universities across the United Kingdom, United States, Canada, Europe, the Middle East, Australia, and South Africa. We are especially proud that 96% of our graduates secured admission to one of their top three university choices, reflecting the success of our personalised university guidance programme. Throughout the application journey, students received individual support with subject and university selection, profile building, applications, and career planning, helping them make informed decisions about their future.

Placement Highlights:

- 75 Graduates
- 300 University Offers
- 96% admitted to one of their Top 3 University Choices
- US\$200,000+ in scholarships recognised for academic excellence, entrepreneurship, leadership, and subject-specific achievement.
- 16 countries represented
- 27 Academic Majors pursued

We congratulate the Class of 2026 and wish them every success as they begin the next stage of their academic journey.

UNIVERSITY PLACEMENTS

- Arts University Bournemouth
- Arts University Plymouth
- Brighton and Sussex Medical School
- Brunel University
- City St George's, University of London
- Durham University
- King's College London
- Keele University
- Lancaster University
- London Metropolitan University
