### Refund Policy

In case of both existing and new students, advance registration fee DEPOSITS are **non-refundable/non-transferable**.

The Refund policy is applicable per term depending on the date of the withdrawal request or the last date of student attendance (whichever comes last).

The refund will be calculated from the start of the term and the date of the official request made by the parent stating the intent of withdrawal and not from the date when the student was absent. Being on the school registrar counts as days in school.

If the student was enrolled in the school for two calendar weeks or less, one month's fees will be deducted.

If the student was enrolled in the school for a period ranging between two weeks and one month, two months' fees will be deducted.

If the student was enrolled in the school for more than a month, the full term's fee will be deducted.

Exceptional Refund requisitions will not be considered after 15th August.
